Stormrider Surf Stories Java and BaliThis eBook is a chapter excerpt from the book Stormrider Surf Stories Indonesia, which is available in both paper and selected electronic formats.Other chapters include:Stormrider Surf Stories SumatraStormrider Surf Stories Nusa TenggaraFew of the islands across the sprawling archipelago of Indonesia awaken such evocative visions as Bali does. The â œIsland of the Godsâ • has always been touted as heaven on earth for surfers and its growth in popularity suggests that the surfing world agrees. It started way back in the 1930s, but surfing didnâ ™t take off here until several decades later. In the early â ˆ70s, Gerry Lopez thought he was in â œa candy storeâ • and later travelers found the islandâ ™s mix of spirituality and surf to be thoroughly intoxicating. Hell came to town decades later as the terrorist bombings in Kuta ripped through the heart of the surf community and, along with ceaseless, uncontrolled development, thereâ ™s room for debate about how special Bali still is. Despite being densely populated, Baliâ ™s big brother, Java is home to some of the planetâ ™s best waves and wildest stories. From G-Land to Panaitan surfing in Java guarantees adventure. Just remember to take a compass, avoid riding bicycles in the jungle and know what to do if you get caught inside.The Stormrider Surf Guides and Stormrider Surf Stories Kindle eBooks bring the worldâ ™s best-selling and most respected surf guide books to the electronic platform.
