## Synopsis

This is a Limited Time multi-genre collection of a variety of Elizabeth's works that take place on the high sea or on/near a body of water. This set includes:

- A Viking's Promise:** (Sweet Viking Novella) Brandr Gunnison makes a promise to his sweetheart, Kadlin Olvisdotter to return from a raid to marry her. But things don't go as planned and a promise sealed with the gift of a dainty blue Forget-me-not is left hanging in the balance.
- The Sheik and the Siren** Book 4, Elemental Series (Medieval Paranormal Romance) Tied to the mast of his ship, Captain Asad (Ace) of Thorndale sails his ship through Death's Door in order to be the only man to ever hear the song of the siren and live to tell about it. What he doesn't expect is for Ebba Tyne, a siren, to board his ship with her small army of misfit men and rob him blind while he stands by and watches, unable to stop her. And when he returns to her island to collect his belongings, his life changes forever.
- The Baron's Bounty** Book 2, Barons of the Cinque Ports Series (Medieval Romance) Conlin de Barose, Baron of the Cinque Ports, saves a girl from a shipwreck at sea only to find the Scottish lass is the proxy of his betrothed. Isobel MacEwen does her cousin's bidding, being tempted by a pair of shoes. Isobel loves shoes of every kind and her infatuation with them keeps getting her into trouble. Now she's to marry the handsome baron in her cousin's stead, but doesn't plan on falling in love with him and becoming fond of his young daughter in the process.
- Lady of the Mist** Book 4, Legacy of the Blade Series (Medieval Romance) Sir Garrett of Blackmore is a Baron of the Cinque Ports and it is his duty to keep the channel free of pirates. But when he overtakes a pirate ship in a storm he finds himself separated from his own men and at the mercy of the pirate Captain Powell ap Llyr and his feisty but beautiful daughter, Echo.
- Saving Simon** Book 5, Tarnished Saints Series (Contemporary Romance) Simon Taylor is the son of a preacher along with his eleven brothers. However, they are far from saints, they are nothing but trouble. Once an officer in the Navy, Simon now works as Safety Officer aboard a cruise ship. When a woman falls overboard, he risks his life to save her. And when he returns home to the little town of Sweet Water, the woman he's saved, Piper Westwood, happens to show up to close down the town's coveted marina.

I've read a lot of Elizabeth Rose' historical romance novels and I really like her as a writer but somehow the stories on this novels are not as romantic or the connection between characters are not as convincing to me. The theme didn't catch my attention and almost bored me.

Loved it! A super bundle to get you turning the pages!! Exciting and very well written. Full of adventure and love.
