# Prealgebra: A Text/Workbook (Available 2010 Titles Enhanced Web Assign)

## Synopsis

Pat McKeague's sixth edition of PREALGEBRA is the book for the modern student like you. Like its predecessors, the sixth edition is clear, concise, and patient in explaining the concepts. This new edition contains hundreds of new and updated examples and applications, a redesign that includes cleaner graphics and images (some from Google Earth) that allow you to see the connection between mathematics and your world. This includes references to contemporary topics like gas prices and some of today's most forward thinking companies like Google.

## Book Information

Series: Available 2010 Titles Enhanced Web Assign

Paperback: 744 pages

Publisher: Cengage Learning; 6 edition (December 31, 2008)

Language: English

ISBN-13: 978-0495559917

Product Dimensions: 10.7 x 8.4 x 0.9 inches

Shipping Weight: 3.2 pounds

Average Customer Review: 3.6 out of 5 stars [See all reviews](#) (8 customer reviews)

Best Sellers Rank: #695,948 in Books (See Top 100 in Books) #109 in [Books > Science & Math > Mathematics > Pure Mathematics > Algebra > Abstract](#) #345 in [Books > Science & Math > Mathematics > Popular & Elementary > Arithmetic](#) #1596 in [Books > Textbooks > Science & Mathematics > Mathematics > Algebra & Trigonometry](#)

## Customer Reviews

I am changing careers soon, and find myself needing to re-take my Algebra classes from my college degree because many institutions want students with fresh knowledge. No biggie - taking it at the local JC. That being said - MAN I really forgot a lot of this stuff. So....here I am again, taking a Pre-Algebra course to gear up for the Algebra. This book is easy to understand. The answers for the problems are in the back. I actually think I will keep this book after the classes are over just as a reference.

I bought the wrong textbook for my college class. I wasn't able to return this book nor sell it back even though it is still in mint condition. Condition was received like new and I returned it like new but wasn't able to return/sell. What a waste of \$\$\$\$\$. It's still sitting in my boxes.

Book arrived within only a couple of days of order. Far better than the forecasted ship date from which was 3 weeks. Exactly as described.

dont buy from this guy Mai, he sent me the instructor's edition and is not willing to return the book. I am a student not a teacher.
