## Customer Reviews

My daughter does not like learning foreign languages-just not her thing-but since it is required to get into college she must take the course. At least she never complains about the textbook, and we have purchased Buen Viaje, Levels 1, 2 and 3. The textbooks present the language well, and even I read them to help me brush up on my Spanish.

Love this Spanish book. I use it as extra in my Spanish three class and it is very effective and appropriate for their level.

Book was in the condition as described. Very satisfied.

Good way to learn and strengthen conversational Spanish.
