Customer Reviews

First time coach of any sport. This book helped me to close the gaps. It is truly a life saver for me. Quick and simple concept to teach young kids.

You can't beat the price for the amount of information provided. This will at least make it seem like I know what I'm doing.

Book was very helpful in coming up with new plays for my sons flag football team

This playbook is only good for Pop Warner flag football and even then most of these plays would suck like a Hoover. Extremely simple, designed to do one thing: take your money. Just say no.
