Customer Reviews

This book was so good! Loved Dorian And Ree. Dorian is definitely an alpha male and he is all about his woman! Even though they haven't said the L word you can definitely see and feel it from them both! This author is new to me but I love her style of writing! Already purchased the book 2 and can't wait to read it! This is a must read! Keep it coming

I gave Heal Me 5 stars. First book that I've read by this author it was awesome. I loved Dorian and Ryann. I loved Dorian and his crew they was crazy did not take no shit and very dangerous. customer you must purchase Heal Me by AC Nixon you will not be disappointed.

Dorian and Ryann met each other at the diner where she worked. They flirted with each other for a month until one night when both of their lives changed. Now they're stuck with one another. Enjoying this series.

This was a very well written story. I was immediately drawn into the characters and their story. Without giving too much away this story centers on Dorian (the alpha bad-boy) and Ryann (the educated soon to be nurse/waitress). From the first meeting Dorian begins to stalk Ryann coming into her place of employment until one night she sees him outside the diner hurt from a bullet wound. She's suddenly thrown into his world, his life, and his bed. The story then kicks off into her secrets and his. The chemistry for these two us off the chain. This story is great for anyone looking for a good mobster bad-boy alpha love story because we all know loving a mobster can be dangerous and complicated.

This was a good book. Just could not put it down. Dorian and Ryann make a cute couple but have obstacles that they need to overcome. Ryann is a divorced nurse working at a diner because of her abusive Dr. ex-husband. Dorian has had a thing for Ryann for awhile but has never acted on it before. All that changes when Ryann ends up being kidnapped by Dorian and his men after she finds him shot in the parking lot at the diner. Once they finally get together, watch out because the sparks fly! I received this copy for an honest review.

I liked the story but it was hard to follow who was speaking a lot of the time. I had to keep re-reading parts. Also, I have no idea what these characters look like. The guy has blonde hair and brown eyes I think; and the girl is a size 14 plus but that's all I've got. In addition, a personal pet peeve of mine is when a woman's lady parts are referred to as the "C" word. I hate that and there's a lot of it in this book. The sex was hot and the story kept me interested.

I received an ARC of this book for an honest review. Dorian is one dark and dominating man, but he also will break your heart, he does not know love. Rayne has gotten away from a very abusive husband she is working as a waitress, Dorian is a patron of the restaurant only to see Rayne. This

book is dark and dangerous and sexy and heartbreaking. It does end with a cliffhanger but it is well worth the read!!! And book 2 is available as well

A tough guy that falls in love but don't want to admit it. He's a millionaire a little on the dirty side but if he's on your side he is awesome. He treats his girl like a princess. And she has issues with love but she cannot help but fall in love with him. You need to get this book it is awesome.
