International Marine Light List And Waypoint Guide (The): Maine To Texas Including The Bahamas

Synopsis

U.S. Government light lists cover Maine to Texas in five volumes, each costing \$25. Thanks to John and Leslie Kettlewell's painstaking editing, The International Marine Light List & Waypoint Guide offers the equivalent geographic coverage in one inexpensive volume. With its alphabetical listing of the significant lights and buoys within each state, which are also cross-referenced from the harbors or channels within which they may be found, this guide offers quick, clear access for boaters. Here in one convenient, accurate, compact, and economical package is information from five government Light Lists, with critical navigation information including: Latitude/longitude positions for thousands of lights, bouys, and daymarks; Light list data from the U.S. Coast Guard; Detailed descriptions of every aid to navigation; Alphabetical listings for quick reference; Coverage of coastal waters from Maine to Texas, including the Bahamas; GPS user's guide.
