Master Of The Dead (Harbinger Of Doom -- Volume 8) (Harbinger Of Doom Series)

Synopsis

Book 1 of the Harbinger of Doom series is now available in Audiobook format: ASIN:

B01KB9UHC0 Vampires. Zombies. Wendigo. Thereâ™s a million books about them, and of similar paranormal, undead creatures. Sparkly cutesy ones. Vicious evil ones. Heroic ones. Impossible to kill ones. Slow and fast ones. Some books even purport to tell you of their origins. Well, theyâ™re all bunk and bother, as Ob would say. Nothing but humbug. This eighth volume of the Harbinger of Doom saga is different. It reveals the truth about those creatures. About where they really came from. About the terrible threat they posed and may still pose today. And about the brave folk of days long past that stopped them from overrunning the world.

Customer Reviews

This almost was the last book in the series I was going to read if he didn't step up his game on writing. Some chapters are 6 pages, are you kidding me? Very short book. If 9 isn't better which so far repeated info that was in previous books may be my last. Not impressed with the last few books.

I've read the whole series twice. Very well written. Couldn't put these books down. Can't wait for the next one.

I enjoyed the story was interesting

It was a very good read.
