The Handfasting (The Handfasting Series Book 1)

Synopsis

Destiny brought them together if only for a year and a day ...Feisty Maggie MacBede will never marry a warrior. Och no! With eight strapping brothers and a warrior of a Da, she has had enough of holding her own against great headstrong men. Sheâ™ll not risk her heart to the sword. Give her a poet, a bard, any man but a fighting man, and she will find her match. Talorc the Bold, the Laird MacKay, has no care for Maggieâ™s foolishness. When he heard the MacBede battle cry, âœFor Our Maggie!â• and witnessed the impossible victory it spurred, he set out to marry her for the clan. Then he felt her in his arms and knew he would marry her for himself and the grand power of their mating. The clan intercedes, the two are Handfasted, married for a year and a day as an enemy lurks deep in the belly of the clan. By winning his brideâ™s love, Talorc may just lose her life.

Customer Reviews

I was thoroughly enjoying this book, I just loved the very feisty Maggie, this lassie had away of her own. Having lost her twin brother a warrior, in battle, she had made up her mind there would be no warrior man for her. Maggie didn't want to loose her heart and then find herself a widow. However

that was before she met Laird MacKay, the attraction is instant, he wants and means to have her as his wife. However Maggie has other ideas, he is a cunning and devious warrior and poor Maggie finds herself hand-fasted to him for 1 year and a day, all she has to do is keep her heart safe and her traitorous body in check, then she can leave the MacKay. The heat just sizzles between these two characters. Add to that a villainous gang, all abandoned by their clans, but bent on revenge and out for blood, the plot thickens. The story continues with Maggie finally arriving at The McKay home somewhat injured after the attack on the journey. Bold, determined not to loose Maggie, as she goes in and out of consciousness, frightened of the pull her dead twin has on her, he watches over and cares for her, and melts my heart in the process. Maggie and Bold have a fight on their hands, all be it slightly different ones. After spending more time together, Maggie surrenders to his charms, but is still determined not to stay with him, she misses her family terribly and devises a plan to return home. In the meantime the rogues are causing havoc setting rival clans against each other, breaching The McKay Keep and manages to endanger Maggie's life twice. Bold does what any warrior does, he goes to fight, and leaves Maggie. Keeping herself busy, determined not to worry over him, she sets to organising the McKay's.
