Adam writes like so few people write, he writes with wisdom and experience from walking with the Lord for many years. It is no coincidence that Adam has many best selling books in many categories because he has the faith in God that he writes about. There is one thing to believe in something and there is another thing to walk that belief out. Adam proves in this book that he not only believes but walks the talk. God is a great God and Adam is a great author and my faith was set ablaze in this collection of books Yours in love Matthew Robert Payne Author of 13 books on and nine books on Audible
